Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 10 full-length bonus videos.

As always, these videos are totally free with absolutely no strings attached. You can stream them on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take **18eighteen** anywhere you go.

Here are the highlights of this issue's bonus scenes.

Cece Capella tells us about her tits before showing them to us. She never wears a bra because her boobs are incredibly perky. Older men notice her, especially when she goes to a nude beach. Once she takes off her shirt, it's hard to notice anything else. Cece twerks for us, tells us about a foursome she was in and then cums hard.

Lexy Lotus is a virgin, so Kharlie Stone shows her the ropes. In this hot threeway scene, Kharlie gives her friend her first taste of pussy and her first experience with a real live dick. We see cock worshipping at its finest.

Native American cutie Zaya Cassidy is in the school nurse's office. The only affliction she has is needing to cum, which she does with her fingers on the examination table.

Cadey Mercury is up to no good. She's sucking and fucking some guy and letting him record it on his phone. Doesn't she know that video could end up on the internet? Yeah, she does. That's why she did it in the first place!

Tiffany Watson has a tinkle accident in the bed. Since she's already a little damp, she figures now's as good a time as any other to rub her pussy and get really soaking wet.

Elsa Jean is a nude figure model. She is so impressed by the artist's skills that she wants to find out if he can fuck as good as he can paint. By the way he lifts her in the air and drills her twat with his big cock, it seems the answer is yes.

What do we learn about Lily Rader in this video? That she likes guys to take control, being fingered and bondage. She's not as wholesome as she looks! And she looks great as she fingers herself to an orgasm.

Cute Asian Tina Star is a freshman cum bimbo. She's the right age to begin her training in how to be molded into a man-pleaser. But once she starts sucking and fucking, it looks like she doesn't need much training. She's already a pro.

Elena Koshka is good with a rod, just not a fishing rod. She doesn't catch anything while fishing, but if she had a stiff flesh pole to play with, she'd catch lots of cum. She plays with her pussy thinking about it, sticking her fingers in to the second knuckle and grinding into her G-spot and clit.

You don't have to do a song and dance with Melissa Moore. Just ask to see her panties and she'll gladly show you. Ask her to fuck and she'll probably do that too. It worked for the guy in this scene!

Sluts and Virgins

Dear Virgin Territory,

I've just got my hands on the Vol. 25 No. 4 issue of *18eighteen* magazine and want to pass on a huge thanks for another great issue!

I knew I had to have this issue as soon as possible as sexy Summer from Vol. 24 No. 5 was on the cover, and boy oh boy, I was not disappointed! This girl drove my erection wild in that issue, and to see this beautiful, big-bubble-butt teen sucking cock and getting fucked in her pretty pink slit and big, round,

Summer lovin'
leads to a
big blast.

tanned ass outdoors had me emptying my balls on her pages in seconds! I'm not surprised your stud pulled out last second and covered her big, round teen cheeks in his sperm. What a fantastic sight, and Summer looked like she really enjoyed having a big dick deep in her asshole!

My favourite girl in this issue was blonde bombshell teen virgin Juliette on page 29. What an incredible pictorial. I loved seeing her virgin pussy

Juliette was

here, but not
anymore!

and asshole on display doggie-style on page 33. It's great to see she's sucking lots of cock and enjoying swallowing cum in her spare time, and from the pics on page 35, she certainly enjoys fingering her pussy, so I can't imagine she'll be a virgin much longer. What I would give to be the first guy to slide his hard cock inside her tight teen slit. I'd have to be very gentle, but considering she's an 18-year-old virgin, I can't see me lasting more than a few minutes before I fill her pussy with a big, thick load.

Fantastic issue. Keep up the stellar work of providing us fans of the mag with what we need: gorgeous 18-year-old girls that get our dicks hard! Can't wait for the next issue.-K., Essex, United Kingdom

Dear K.,

If you enjoyed Juliette's solo photos, wait till you see her take the hardcore plunge. After losing her virginity, she returned to our studio to fuck as soon as possible. Check out her XXX layout in the Vol. 25 No. 5 issue, available for order on page 11.

In Love with Alissa

Dear Virgin Territory,

As a devoted reader of your magazine, I love most of the girls you feature in pictorials. However, one recent model has really stood above the rest. Alissa from the Vol. 25 No. 4 issue is simply stunning. I never thought I would say this, but she's almost too pretty for porn. Although I am glad she went the porn route. I was transfixed by her blue eyes and perky tits from the first two pages of her layout. Alissa got more beautiful as she exposed more flesh, culminating in a picture of perfection on page 25. As I write this, my mouth is watering and my dick is dripping imagining what it would be like to plunge both organs into her perfect pussy. I think I am in love with her.-A.A., via email

Dear A.A.,

Honestly, we don't know how anyone could not be in love with Alissa. Check

out her hot masturbation scene in Naughty First-Timers 7, available on page 99.

Dani's Tight Pussy

Dear Virgin Territory,

Dani from the Vol. 25 No. 4 issue is the perfect 18^{eighteen} girl and exactly the reason why I've been a longtime subscriber to your magazine. First of all, you can't beat those curls and braces. Second, she has a great body with a delicious, puffy innie pussy. And third, her tan lines are very sexy. Her pussy just looks extra tight with the way her outer labia is puffed up and squeezing her slit. As much as I would love to fuck her all night, I'd

probably end up shooting my load in under five minutes, and I'm not too proud to admit it!—K.B., Bennett, Colorado

Dear K.B.,

The stud who fucked her in Naughty Neighbors Vol. 28 No. 4 confirmed that Dani's pussy is extraordinarily tight. You can check out the issue by ordering it on page 11.

MacKenzie's Second Chance to Fuck

Dear Virgin Territory,

After MacKenzie was first featured in your magazine back in the Vol. 22 No. 5 issue, I was disappointed that she never returned for hardcore. I really wanted to see her go all the way. So when you featured her again recently, I had renewed hope that I would get to see her fuck in your magazine. Well, my wish came true in the Vol. 25 No. 4 issue, and it was everything I hoped for. MacKenzie looked glorious as a dirty delivery

girl sucking and fucking that guy, and I loved the concept of the scene too. I'm guilty of ordering way too much takeout (what can I say, I'm not much of a cook), and if a hot girl like MacKenzie showed up at my apartment down to fuck, I would go for it no questions asked.

MacKenzie is a naughty little cock-sucker, and the way she spreads her pussy with a cock buried deep inside proves that she's a pro. All the penetration shots are hot, but what I really love is the look of bliss on her face. You can tell she really loves to fuck, and that's why I blew such a huge load to her pics. Bravo!—P.J., Sparta, Georgia

Dear P.J.,

If you think her photos were hot, check out the video on 18^{eighteen}.com.

She's Your Destiny

Dear Virgin Territory,

On 18^{eighteen}.com, the hardcore video titled "Very Cherry" starts with Destiny on her bed in her paja-ma bottoms and training bra. She sexily gives us a peek at her barely-there boobies, and then we are treated almost immediately to a bent-over view of her private parts. She is completely hair free between her legs, and her pussy has the most exquisite

bulgy outer labia and slightly darker pink inner labia peeking through. We then get to see Destiny laying back in the nude and masturbating her bald cunt, a real fantasy scene as the guy walks in on her secret self-pleasure session. It is very arousing to imagine discovering a pubeless teen girl like Destiny touching herself like this.

She asks to be fingered. There follows at least 10 minutes of close-up shots of her pussy being rubbed, probed, fingered and licked from every angle. Incredibly horny and a real change to see so much time dedicated to pleasing her tight, little, smooth cunny.

Eventually it is time for some penetration. Usually these girls take a massive cock effortlessly into their supposedly virginal vaginas. But this scene takes a different, more arousing turn: Destiny actually struggles to take anywhere near the full erection inside her, so instead the fucking (which is amazing, especially the doggie-style part) involves his thick, long cock fitting no more than half of the way into her tight, narrow pussy. This makes the scene much better. It is extremely sexy to see that she just can't take anywhere near his full length or girth inside her.

Although this part was sexy, I

must admit I rewound so I could ejaculate whilst watching her hairless cunt getting a good, deep fingering.—m3361754, via 18eighteen.com

Dear m3361754,

Destiny was one of the 18eighteen greats. Many loads have been spilled to her. She only shot that one hardcore scene for us, but we hope she's still out there sucking and fucking and taking cocks deeper than ever.

ATHENA HEART

When it comes to porn, contrasts are hot, and the one between Hazel and her guy is stark. She's young and fair-skinned. He's older, tanned and weathered. That doesn't stop her from giving him the screw of his life. Athena is another pale princess with a pink pussy that she uses to milk an older guy. Both girls get the jizz they need.

Emma

Flexible & Foxy

This is pristine pussy.

Your list of favorite teens is about to get a new addition. Emma is as cute as they cum, and she's all too eager to take off her clothes and show you what's hiding in her underwear: a landing strip that leads to a big, juicy clit and tight, pink slit.

Tell us about yourself.

"The first thing people notice about me is how tiny I am. I'm 4'11" and 98 lbs. And yes, I like to get tossed around in the bedroom. The second thing people probably notice about me is how horny I am. I just give off that vibe. I either want to talk about sex or have it."

You're pretty flexible.

"I did a lot of dance and cheerleading when I was younger. It kept me in shape and limber. I can still do splits and pull my legs up by my ears. Not only does it look hot, but it feels fucking great when a guy is balls deep in my pussy while my legs are spread as far apart as they can go, which is pretty far."

LIVES: Morriston,
Florida

After a torturous debut blow job due to her toothy train-tracks, Jillian had spent so much time waiting, she couldn't stand it. Now, freed from her dental dilemma, it was time for some serious sperm swallowing. She'd had enough dry-runs. It was time to put her mouth to the test and satisfy her...

Oral Fuckstation

"You ready?"

Jillian tensed. This was it, the moment she'd been waiting for for two years. Dr. Jensen held up the mirror. Slowly, gums still tingling, Jillian smiled.

"Can I suck your cock, Dr. J? I'll get on my knees right now and give you head 'til you jizz in my mouth!"

That was what Jillian wanted to say, but instead, she just gawked. Her teeth. White. Polished. And straight. For the first time in a long time, she wasn't uncomfortable smiling. Didn't feel...ugly. The braces had worked!

And...she would have gladly blown Dr. Jensen. Given him a mouth hug and slurped and slobbered all over his fat cock until he shot a wad off the roof of her mouth that would've made her choke. At least, she hoped it would, if she was good enough. She really wanted to be. Plus, her dentist wasn't a bad looking guy. Older, sure, but who wasn't? Jillian was still in high school. Dr. J had been putting braces on people for 20 years. She wondered how many had offered a blowie once they'd seen a miracle like the one he'd performed on her. Though she didn't have a whole lot going in the titty department, now that she wasn't hampered by a mouthful of metal? She felt pretty sure she could make him cum. Without all the rough edges, she imagined that sucking his balls would really get him revved up. Her eyes dropped to his crotch. Was there a bulge forming?

"C'mon, Jill," Natalie, his assistant said, entering the office. "Let's get that bib off you."

Natalie could've let Mister J strip off her bib, Jillian thought. And her top. Then maybe her panties... So much for that, Jillian sighed, sitting up and sourly letting her remove the paper bib. It was coated in drool, the way she'd pictured his dick. Pre-cum glistening on the tip of his pole, eager to spew all over her freshly freed teeth.

"Jillian?"

She shook her head. Natalie had lifted the armrest. Jillian was a little wobbly, the numbing agent still in effect, but her mom was in the doorway, waiting to celebrate.

"My beautiful baby!" she cried, flashing her own perfect smile. Her mom was hot. Jillian had seen pics of her when she'd been in high school, and it was depressing as hell. Plump C-cups, firm and with rock-hard nipples. Jillian wasn't going to let it bother her anymore, though. Now, she had a chance to get in the game.

"Just wait'll Corey's party," Laurie said. "It's only two weeks away."

"Thabrt'sh too lung," Jillian replied. "I mean, too long." She stuffed the dildo back in her mouth, stringers dribbling down her chin. For months, she'd been practicing. Watching the dirtiest cocksucking videos she could find. Amateur clips with guys sporting every type of cock you could imagine. Hung guys. Average size guys with hours of staying power. Guys with cocks so thick at the base their girlfriends had to jack them with both hands to make them shoot. Jizz went everywhere! Facials. Tongues so coated in cum you couldn't see any pink. Gals with selfie-sticks they set up so they could wide-mouth their guys' loads, geysers of sperm erupting deep into the back of their throats.

"It's not like you've never done it," Laurie reminded her. Another sore spot. Yeah, Jillian had given head. It had been a complete disaster. Steve had cum, eventually, but only after she'd resorted to stroking his cock until he jizzed on her face. He had a

sizeable dick, too, and she'd really wanted to deep-throat him. Of course, she'd tried, and for a while, he'd enjoyed it. But...the braces had killed it. The wires sticking out of the housings on her molars had scraped him. Even when she'd put his hands on the back of her head, begging him to fuck her mouth, he couldn't stick it out. So, she'd lapped away and sucked him some with just her lips and tongue-tip, eventually taking a facial. It wasn't bad, though hardly any got in her mouth.

Steve hadn't called her the next day, either. And Pat, his friend from hockey who'd been hot for her since the beginning of senior year, wasn't interested in her anymore, either.

She'd done everything right, she lamented to her bestie. All the stuff she'd been watching online, she'd done. She could talk filthy as a whore. She could work a guy's balls with one hand while stroking him with the other and taking his whole fucking length. And still...it had been a lousy first blow job. The only positive was figuring out that she had virtually no gag reflex. Testing it out on a bigger dildo confirmed it. The first vibe, the seven incher? Had been relegated to the back of her gym shorts drawer. This one? The one she couldn't bend to fit in her purse, she hid in a shoe box. It almost didn't fit there, either.

"Well, good luck," Laurie said. "Gotta bail, more homework. Catch ya tomorrow."

Jillian hung up and shut down her tablet. She could smell her pussy, her fingers sticky with dew. She'd climaxed twice, having to mute the tablet lest Laurie try to turn it into a Facetime call. Jillian wasn't quite ready for that. She had boys on the mind and wanted them in her mouth. Before crashing, she ran her index finger over her bare teeth. She sucked it, just like the tip of a dick.

It still tasted like her slit.

"Heya Jill!" came a voice, accompanied by a horn honk. Ordinarily, Jillian hated being called Jill. It made her feel like a 10th grader. Jillian, that sounded like a college name. Grown-up. True, she was way younger than Russ, the neighbor waving at her from his riding mower. Still, when he said it? It wasn't so bad. Heck, anytime Russ talked to her was nice.

"Well, well," he said, taking notice of her awkward grin. "Somebody's got a brand new smile!"

Instantly, she became self-conscious. Sure, she'd been wanting guys to look—and to make them want things when they did. Sweaty things. Dirty things. But now? This was her neighbor. He was as old as her dad! And yet...she felt tingly again. Like when Dr. Jansen had dosed her gums. Only, this tingling wasn't in her mouth. It was lower. Much lower.

"Do they, y'know, look okay?" she asked, blushing.

"Okay? Darling, they look great!"

Russ always did that. Called her darling or sweetie or something. It just wasn't like when mom said it. Russ pulled up alongside her. He was wearing the usual. Grey athletic shorts and a fitted t-shirt.

"This calls for a toast!" Russ declared. "C'mon, hop on board. I'm too lazy to walk back to the house."

That was about as far from the truth as one could get. Russ might be in his late forties, but he was fit. And, as she considered the offer, she couldn't help but glance up the leg of Russ's loose-fitting shorts. Russ appeared to be packing plenty in the jockeys he had on underneath.

Not wanting to get caught looking, Jillian fumbled around, trying to get onto the mower's long seat, until Russ grabbed her hand and hauled her up, cowgirl style.

"Hang on!" he called, shifting the mower into gear.

The engine rumble shot vibrations through her from thigh to honeyhole. When they got rolling, the vibes

stretched all the way up to her nips. They hardened instantly. Not seeing anything to hold on to, she put her hands on Russ' wide shoulders, hanging on for dear life as he whipped around the elm tree and motored toward his back porch.

The cum was streaming down her legs. She told him she'd wait outside, but he wouldn't hear of it, so she

turned red by the time they made it into the kitchen. Jillian was wearing shorts too and regretting it big time. Any second and Russ was going to be able to smell her pussy. She was that wet.

Russ tossed a bottle her way.

"Root's all I got," he confessed, cracking his and taking a gulp.

Like the root of an oak tree, she thought, noticing the outline of Russ's cock through his shorts. All sorts of crazy thoughts began tumbling through her brain. He wouldn't say anything, would he? No! How could he? Unless he turned her down, that was. What the heck would she do if he told her dad she'd tried to get him to, to...

"So, how do the teeth feel?" he asked.

"Don't know. Haven't had a cock rub against 'em yet."

Russ didn't miss a beat.

rubbed her thighs together, trying to erase the musky traces that were slicking her legs shiny. Between that and the friction being caused up around her clit, her thighs had

"Gal pretty as you? That's hard to swallow."

Jillian was on him like a viper, hand groping his firmly pitched tent.

Nudes on Demand

Nude pics are Gen Z's love letters.

Veronica likes to take nude selfies on her phone and send them to people. The more she likes you, the more explicit the photo. "If a guy is alright, I'll send him a boob shot. If I really have the hots for him, I'll send him a pussy pic."

Do you like to receive nudes?

"If I send a guy nudes, it's nice if he returns the gesture by sending me a sexy video of him jerking off and blowing a big load to my pics and videos. Of course, I try not to expect anything. I send nudes for the pure joy of it, not because I want something in return."

A woman with long brown hair is lying on her back on a patterned blanket. She is nude, with her hands resting on her hips and her legs raised and bent. She is looking directly at the camera with a slight smile. The background is a dark, textured wall.

Do you have harder orgasms on-camera?

"Sometimes. I've definitely had intense orgasms while recording myself. You could see my pussy convulsing and squeezing the dildo that was inside of me. That kind of orgasm depends on my mood and how I feel about the person I'm sending it to."

Daisy
Slut in Training

Daisy is going wild.

People treat Daisy a certain way because of how she looks. They think she's fragile and innocent, but she's on a mission to prove that she's anything but. "I'm a slut in training. I want to make people gasp when I tell them all the crazy sex things I've done."

Can you make us gasp?

"I'm sure you've heard it all, but I was fucking my brother's friend for a while and we used a remote-controlled vibrator at a family dinner. He was eating with us and had the remote while the vibrator was in my pussy. He would randomly press it, and I had to try so hard to hide my orgasms."

**Did you get
away with it?**

"Just barely. A couple of times my brother asked what that sound was when the vibrator was on. Later that night, the guy snuck into my room and we finished what we started. He came on my face, and I scooped up every drop and ate it." You can watch Daisy's XXX video on 18eighteen.com.

Hazel
Tending to Her Pussy

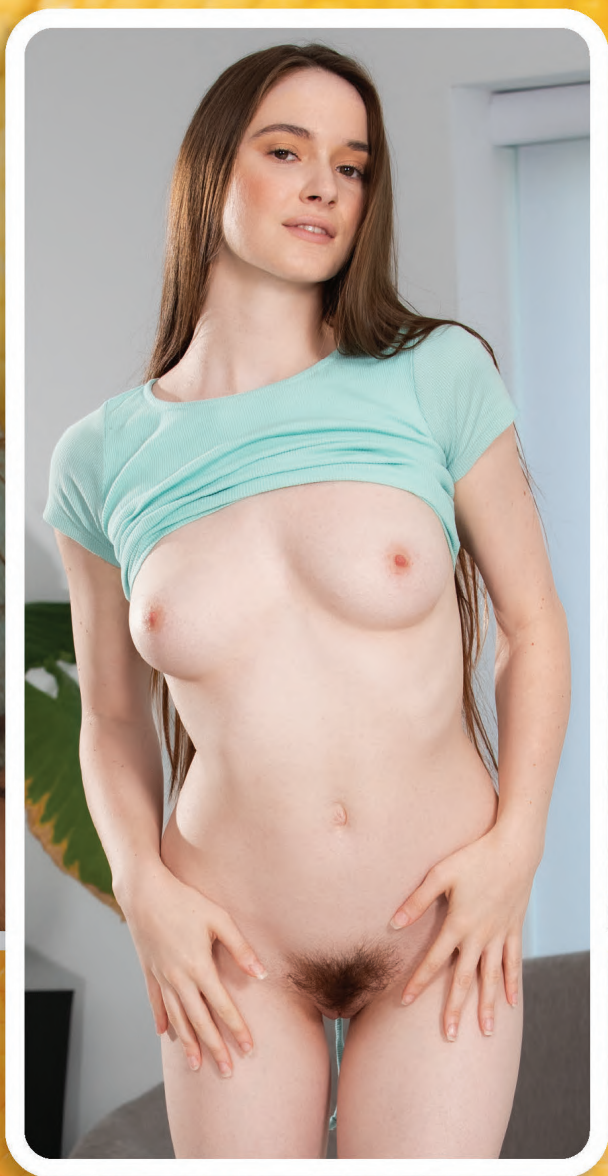

When Hazel knocks, you let her cum inside.

In this pictorial, Donnie is cat-sitting for his friend. Hazel passes by, and it turns out that her fuzzy pussy needs petting too. Heavy petting. "I was actually going over to fuck my neighbor," Hazel said. "But hey, this guy will do too!"

**She's forward

to having sex.**

Hazel reaches for this guy's cock with no hesitation. She moans, spits and chokes on his rod before riding him on the couch. "I put on a pretty good show when I was sucking him off. I'm sure the cat enjoyed watching it!"

Did you cum hard?

"Well, I left a big wet stain on the blanket on the couch, so you could say that. I knew I was going to have a big orgasm because my pussy sounded like someone stirring macaroni, and I could feel my juices dripping down this guy's balls." You can watch this XXX video at 18eighteen.com.

It's summertime and the cumming's easy. These girls don't have to worry about school, so they're spending their summer break taking advantage of the good weather. That means lots of time spent at the pool or by the water in very little clothing. And what's some hot weather without hot sex? Nothing beats a steamy, oily poolside pounding. That's why the girls you see here have big, lusty smiles on their faces. Flip through the next few pages to see more summer cummers.

Although the sun is usually beating down in the summer, Aimee gets caught off guard by a storm. That doesn't stop her from fucking, though! In fact, the sound of the rain drops in the pool and thunder in the sky make the fuck even sexier. For Precious's summer break, she gets her first taste of white cock. Let's just say her tanning oil gets used for more than its intended purpose. Busty Dylann also lives her best summer life by fucking on a boat.

The one drawback of fucking outdoors during the summer is that there are people everywhere. And while that doesn't necessarily bother Alexis, she'd rather not get the cops called on her. So she and her guy head back to the beach parking lot to fuck in the car. The rest of the girls here are lucky enough to have privacy at pools, leading to Jade getting a facial in a Jacuzzi and Olivia and Brooke enjoying deep dickings after a cool dip in the deep end.

Pale Ivy burns easily. Luckily, her dad's friend shows up to rub some sunblock on her skin. Then he rubs his cock inside her pussy and blows a big creampie up there. And Jessie and Megan make the most of a pool party with a group sex scene.

"Maybe," she said. "But are you?"

He tasted like A&W when they kissed, swapping spit with her as she grabbed hold of his prick. He had a whole lot downstairs, so much so she needed both hands to fully explore the expanding fleshy territory.

"Whattya say?" she asked, double fisting his bone. "Your cock, my mouth. You in?"

"Will be in a sec," he promised, yanking down his shorts, his strong hands pushing her onto her knees.

Russ was hung. For a second, Jillian wondered if she could handle him. Then, she thought back to all the practicing she'd done. The oral exercises using the dildo Laurie couldn't imagine fitting into either of them. *Fuck it*, she thought. She was made for this and went down on him. Five inches disappeared in her first gulp.

She shoved his tip against the inside of her cheek, replicating the look that the guys in the vids she'd become addicted to loved. How could it not get you hot, she thought, recalling the hundreds of barely legal girls she'd watched sucking off horny guys. Girls just like her.

Russ was no different, groaning as she let her mouth fill with drool. Pulling him out, a thick stringer dangling between her lower lip and his cockhead made him nod appreciatively.

She parted her full, puckered lips, a flood of saliva flowing onto his massive hard-on. Like she'd done with Steve, she grabbed his hands and put them on the back of her head.

"Glibve it thoo me," she mumbled around his girth. "Stick it in and fuck my face!"

Russ didn't need any encouragement. He pumped her mouth with a relentless rhythm, saliva falling from her chin as she kneaded his heavy, cum-loaded balls. She was on a mission now—to empty them. To drain every drop he had. That was what she wanted more than anything—a mouth filled to overflowing with hot, salty jizz.

Russ, though, had other ideas.

"C'mon," he said, putting his hands under her arms and hauling her to her feet. His cock left a thick

Cecelia is a perfect flattie.

You might notice that Cecelia isn't wearing a bra under her tight dress. That's because her A-cuppers don't need one. "I don't mind having small tits because I never need to wear a bra, and the less clothes I can wear, the better. Plus, it's easy access if a guy wants to suck my nips."

Do you normally wear panties?

"Yes. Usually thongs or seamless panties. I have to wear them because my pussy gets really wet. I'll randomly get turned on and start dripping. I also find it really hot when a guy pulls my panties to the side to lick my pussy."

What do you like sexually?

"I'm into BDSM and fucking older men. My favorite position is cowgirl, but I enjoy the other positions as well. I can cum easily and nonstop, so I like pretty much everything about sex. I masturbate every day using my hands, and sometimes it's hard for me to stop. I just want to keep cumming and cumming."

Who in your roster fucks best?

"Definitely the married guys. They're older and more experienced. Patient. They know how to take their time pleasing a woman. But I can't deny there's a certain appeal in the younger bad boys, too. They have the confidence and assertiveness going for them. I cum with both kinds."

ORAL FUCKSATIOn

Continued from page 64

trail of pre-cum on her leg. In one swift tug, he had her shirt up over her head, her pert buds on display. They were starved for attention, so swollen they ached.

Russ hoisted her over his shoulder, taking her where there was carpet, much to the approval of her bare knees!

He bent her over the edge of the couch, testing her moistness with a finger. Then two. When she looked back at him, they had disappeared into his mouth.

"How's about you take a little ride, first," he suggested. "We can get back to the other stuff."

Jill had learned that she had more happening in the boobs department than she did in the gag reflex department, but she sure as hell had a G-spot reflex—the evidence of which was a copious gush of gooey girl cream when Russ buried his shaft into her. She howled as his balls mashed against her slit, his hands coming around to palm her knobs, holding her steady while he tore her up doggie-style.

All those nights, she thought, recalling the countless practice sessions with the huge dildo. They prepared her for ten minutes she'd just spent with Russ's tentpole tickling her tonsils. Laurie, however, had been clearly worried about trying to take her suck-slut practice prick into her inexperienced cunny. Jill had thought about it but had never actually tried. One night, though, maybe in the not-too-distant future, she felt pretty sure her and Laurie were going to get loose at a sleepover and...and... Maybe test it out on each other?

Russ was alerting her to two things: One, that she could handle it. And two, that the spots so deep in her pussy he was hitting with that enormous cock of his were giving her rapid-fire orgasms. She hadn't noticed it, but there were tears streaming down her face...from how incredible it felt to finally vanquish her frustrations. Her legs, though, they were getting a might shaky.

Russ flipped her like a pancake, pulling her legs over his shoulders, slop from her sopping fuckhole leaving dark patches on the couch. Her juice dripped off his taut sac, his rod

slapping against her flat, teen belly.

"Got a couple more in ya?" he asked, his length grinding against her hypersensitive clit.

"Not many," she gasped, his dick-head parting her puffy pink again.

"Well. Let's see what we can do about that."

His weight on her added another dimension to their fuck. Any second now and her button was going to go numb. His coarse pubes pressing into it now coaxed a whimper out of her.

He suckled her boobies, titties nearly purple. Russ hadn't shaved, and the faint stubble rubbing against her nearly nonexistent underboob made her squeal.

Five strokes, brief pause. Three strokes, CLIMAX! Four strokes, back arched gymnast style, four more. ORGASM! Ten driving, pussy-pounding thrusts—a furniture rattling peak. Her calves had spasmed so much, she'd lost feeling in her right foot. Could it happen? There was a whole video channel devoted to it—gals who could suck guys off three or four times back to back and get them to pass out. Jill couldn't deny it. If Russ kept this up, she was going to be

out cold. His thumb brushed against her asshole—for a second time. She jerked, the sensation completely alien to her. Did...did he want to put his...?

She exploded, squishy noises coming from her trembling tunnel. She expected her vision to start fading out.

Russ withdrew, the emptiness and her clenching muscles making her gasp. Together, they slid off the couch.

"All righty there, sweetheart. You said you wanted a taste..."

She dove at him, his crotch hair full of her scent. She took him down, as far as she could go, gagging only slightly as his pubes blocked her nose.

The goal was in sight. She was going to gargle...his...cum.

The weight of his hands on the back of her head gave her the signal. Russ's huge dick was close to the point of no return, and she had better be prepared. Much as she loved trying out new things on the dildo, it couldn't

**"CUM
ALL OVER
MY BIG
TITS!"**

spew down her throat like a real guy could. The way his nuts felt slapping against her sex-spattered chin was fucking ominous. He was going to shoot like a damn breaking.

He was really into it now, hips rocking, fingertips digging into her scalp, her hair swishing around her shoulders with every thrust. She hadn't thought she had it in her but managed to work her free hand in between her folds, sweat beads rolling down her flat chest.

The girls with the big boobs? Like Laurie had? They could rub guys' loads into their titties and it was hot as fuck, but built like Jill was? Russ could bathe her in spooze!

"Hey there, sweetheart," Russ said, momentarily interrupting her cock-sucking. "You got me *realllllll* close, y'know?"

Looking up at him, mouth crammed with cock, she raised her eyebrows, jacking him ferociously.

"It's okay," she replied. "I didn't finish my root beer."

Russ's shoulders tensed. Jill kept her eyes open, watching him. His broad chest heaving, his legs flexed, his thrusts growing ever more erratic. Then, his head falling back, his final thrust nearly lifting her off the floor.

The floodgates opened. A river of jizz surged into her mouth, across her tongue and blasting the back of her throat. Waves of ballsauce coated her cheeks, his semen flowing hot and thick. Jill's eyes bulged. He wasn't even close to finishing.

That was okay, though.

Like the gals in the videos, she could guzzle jism with the best of 'em.

Jillian staggered out of the shower, the sun already having set. Her cell phone rang.

"Hey," Laurie said. "Wanna go grab some pizza?"

Jillian lay back on the bedspread, still wet. Her parents weren't due back until Sunday night. On the dresser lay her dildo. She thought about the afternoon. About Laurie's big knockers. Picturing Russ ejaculating on them. Laurie rubbing it in. Jillian sucking it off.

"Hey," she said, ignoring the question. "Why don't you come by here?"

"Why? What's up?"

"I've...got someone I want you to meet."

SHE NEEDS YOUR COCK IN HER TIGHT HOLE

Time for an anal lesson.

In this scene, Mella wants to try anal, and her brother's friend is the most readily available cock. She lures him in by saying she needs help with a question on her homework, but the real question is will he fuck her pussy and ass? The answer, of course, is yes.

What made you want to try anal, Mella?

"It's pretty common now. Everyone does it. I'd say it might even be becoming vanilla. If you're into sex, you've gotta try anal. Plus, I like to have my butt hole licked and fingered, so why not go all the way?"

How'd you like it?

"It was the best orgasm I ever had. At first it was really tight, but as I relaxed it started to feel better and better. Next time I do it, I want the guy to cum inside my asshole." Watch the XXX video for this scene in *Back Door Brats 3*, available on page 99.
